## Scholarship Program

AYS is proud to offer an opportunity for graduating high school students that live in the town of Abington during the current school year, to apply for an AYS Scholarship to further support their academic goals.

Our program will award a total of \$1,000.00 between (2) scholarships, in which award amounts will vary based on the decision of the Scholarship Committee. This program is open to Abington residents who have been involved in the AYS program and are graduating high school seniors.

Abington High School holds a Scholarship Awards Night so recipients must be chosen by AYS in a timely manner by the date of their printer deadline to be included. MA Youth Soccer and South Shore League also have scholarship programs that should be posted along with AYS. The Scholarship Committee, which is made up of (3) members who are not familiar with high school students/parents, must receive applications with student names *redacted* in order to ensure fairness.
