

FALL TRAVEL (September – November)

Goals of Program:

Our Fall Travel program is a competitive town program open to players who reside in Abington for Grades 3 through 8 played within South Shore Soccer League. In this program, competitive games are played against nearby towns that require some local travel. Players will be placed on permanent teams based on gender, grade and ability assessed at *required* tryouts.

Travel games are played on Saturdays while team practices and grade group practices/clinics will be held during the weekday. Tryout registration is MANDATORY. [Register for tryouts here!](#)

We Need YOU!

We rely exclusively on volunteers to become coaches. Without coaches, we cannot offer our programs to the children of Abington. Please consider becoming involved as a coach or assistant coach. [Click Here to apply!](#)

Who Can Sign Up?

Participants must be residents of Abington and be in grades 3 through 8. All participants are required to attend at least one tryout and be aware that not every player can always be placed on a team. Some players are placed on a waitlist based on enrollment numbers, etc.

Grade (as of September 2017)	Grade Requirements
Grade 3/4	4 th Grade & Lower
Grade 5/6	6 th Grade & Lower
Grade 7/8	8 th Grade & Lower

Location:

We play on the Abington High School Turf Fields, Reilly Field and on nearby town fields.

What's the Cost?

Costs are determined each season by South Shore Soccer League and current enrollment numbers. If you are experiencing a hardship, please apply for assistance by completing a Financial Hardship Application. [Click here to fill out the form.](#)

Equipment:

- Shin-pads are required.
- Soccer cleats are required.
- Players must bring their own ball (Size 4 for Grades 3-6 or Size 5 for Grades 7-8).
- All players must purchase a travel uniform consisting of shirt, shorts and socks.

How Can I Register?

Your player will receive an email with registration instructions after tryouts have concluded. When registering, please keep in mind fall travel games can interfere with fall recreational games if you should choose to participate in both programs. Please discuss with your family the amount of soccer you and your player are comfortable committing to.
