Dear Business Owner,

Abington Youth Soccer is a non-profit organization with 100% of all funds raised going back into our program entirely for the benefit of Abington children. AYS has over 650 youth participants in the fall program. We are asking for your support of our Abington Youth Soccer program for the upcoming 2022 Fall season.

As our program continues to grow, so does our need for sponsorship. Sponsor fees are vital to our program. When you sponsor a team, you help in the following ways; supply team shirts that proudly display your business name, purchase necessary equipment, provide help for families with financial hardship ensuring all kids have the opportunity to play.

In order for us to meet our deadline for the delivery of team shirts, **we must ask that all sponsorship requests be received no later than July 12, 2022.** We will continue to provide Team Sponsor levels to give sponsors the opportunity to increase their support of AYS. In return, we help build awareness for your business through our website and social media accounts, and a sponsor banner.
